Profile

- Stakeholder manager with national and international experience.
- Broad network in politics, business and associations based on several years of work in Berlin and Brussels.
- Expertise in the energy industry, energy policy and energy law with a focus on the German, European and International Gas Industry.
- Successful creation of corporate positions in the political arena, support of legislative procedures and individual commercial projects.
- Experience with political support of business relevant strategies and concrete projects in Eastern Europe, especially Russia.
- Various publications and conference appearances.

Professional development

December 2018 – today Uniper SE, Representative Office Berlin

Deputy Head of the Representative Office

Main Focus:

- Further development of Uniper's positioning in the political sphere.
- In particular, flanking gas-specific and international topics.
- Group-wide coordination of political relevant procedures in the course of implementing the German hydrogen strategy (e.g. Uniper's positioning for a new regulatory framework for the development of hydrogen networks).
- Political support for Uniper's Russia business. Support for individual commercial projects, in particular the Nord Stream 2 gas pipeline; political support for the Russian subsidiary Unipro on issues relating to the capacity market in the Russian electricity sector.
- Responsibility for Uniper's membership in the German Eastern Business Association and the German-Russian Forum. Advisor to the Chief Executive Officer for his mandates in the German Eastern Business Association (Management Board and Presidium). Advisor to the Chairman of the Supervisory Board of Uniper for his mandate in the German-Russian Forum (Advisory Board).
- Networking with relevant contacts: Federal Foreign Office, Federal Chancellery, Federal Ministry for Economic Affairs and Climate Action, German Parliament, associations, think tanks, foundations, civil society organizations, embassies of other states, etc.
- Coordinator of risk management for the Uniper Corporate Communication and Governmental Relations division.

January 2016 – November 2018 Uniper SE, Representative Office Berlin

Senior Policy Advisor

Main Focus:

- Strategic positioning of Uniper in the political sphere. Active flanking of natural gas-specific and international issues.
- Advisor to the Chief Executive Officer and the Chairman of the Supervisory Board of Uniper for mandates in the German Eastern Business Association and the German-Russian Forum.
- Political support for Uniper's business with Russia. Support for individual commercial projects, e.g. Nord Stream 2 gas pipeline project.

March 2012 – December 2015 E.ON SE, Representative Office Berlin

Policy Advisor

Main Focus:

- Active political flanking of natural gas-specific and international topics as well as the topic of energy efficiency.
- Group-wide coordination of E.ON's political positions.
- Advisor to the E.ON Chief Executive Officer for his mandate in the German Eastern Business Association as well as for other E.ON board members (German-Russian Forum and Eurogas Governing Board).
- Editor of E.ON's Berlin political magazine.

December 2010 – March 2012 E.ON AG, Düsseldorf

Policy Advisor, Department Political Affairs & Corporate Communications

Main Focus:

- Active political flanking of natural gas-specific topics in Brussels and Berlin.
- Energy policy support for individual commercial projects, e.g. Trans Adriatic Pipeline ("Southern Gas Corridor").

September 2009 – December 2010 E.ON Ruhrgas AG, Essen

Head of German and International Energy Law, European Law and Gas Associations EU

Main Focus:

- Advisor to all departments of the company and its subsidiaries on German and international energy law and European law.
- Advisor and representative of the Chief Legal Officer at meetings of the Legal Committee of the Eurogas Association. Member Eurogas Task Force Security of Gas Supply.

December 2007 – September 2009 Eurogas, Bruxelles

Senior Manager Legal & Regulatory Affairs

Main Focus:

- Advisor to the Secretary General and the Deputy Secretary General.
- Coordinator and advisor of Eurogas Policy Committees (e.g. Strategy Committee, System Users Committee) and Legal Affairs Committee; coordinator of political positions in collaboration with member companies.
- Representative of Eurogas in discussions with EU institutions (Commission, European Parliament, Council) and other stakeholder groups. Several appearances as speaker in the Gas Coordination Group.

October 2003 – December 2007 E.ON Ruhrgas AG, Essen

Head of German and International Energy Law, European Law and Gas Associations EU

Main Focus:

- Advisor to all departments of the company and its subsidiaries on German and international energy law and European law.
- Negotiator for E.ON Ruhrgas in the BGW legal association-group on the first cooperation agreement between German network operators.
- Advisor to the Chief Legal Officer in the preparation of meetings of the Legal Committee of the Eurogas Association.

January 2001 – October 2003 Ruhrgas Aktiengesellschaft, Essen

Head of European Law

Main Focus:

- Advisor to all departments of the company and its subsidiaries on European energy law and on fundamental issues of European law.
- Drafting of texts on legislative proposals and position papers for the lobbying process.
- Advisor to the Chief Legal Officer in the preparation of meetings of the Legal Committee of the Association Eurogas. Team member for preparations of Eurogas board meetings of the Chairman of the Board of Ruhrgas.
